Welcome

Thank you for joining us for the 13th Annual High Notes Gala. This year's theme, "A Million Dreams," is a song from the musical *The Greatest Showman* with the chorus:

*'Cause every night, I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world we're gonna make*

When you listen to our Dieruff and Allen combined choir sing this song tonight, we hope you will imagine the dreams these students have for their futures. The ASD has over 16,300 students and they all have dreams. As supporters of the ASD Foundation, you probably have your own hopes and dreams for the students. These students and their peers will be making the future of our world.

The ASDF mission is to encourage, promote, support and fund positive educational experiences for students in the Allentown School District. We know that when students experience performing on a stage, writing poetry and authoring books, planning and executing science experiments, researching and presenting historical events, playing instruments or sports, or building with Legos (elementary) or carpentry (high school) and any of the many other programs we fund, their sense of what the world holds for them expands. Through your generosity, the ASD Foundation provides these experiences that inspire curiosity, build skills and confidence, and motivate students to work toward their dreams.

Thank you for your support tonight!

Since our founding, the ASDF has raised over \$8.1 million to provide programs and services for students and teachers. These significant efforts are supported by a 20-member board of directors, five emeritus board directors, and three employees many of whom are ASD alumni or parents. As a 501c3 not-for-profit, the Foundation is totally dependent on individual, corporate and institutional gifts and grants. It will continue to grow in service to the students as the community and alumni honor the value of this work. Thank you for your show of support!

Respectfully,

Silent Auction

Please visit the silent auction tables – **there is something for everyone!** We are grateful to the many businesses and individuals who donated these wonderful items. The Retail Value is provided when known. Items with subjective values are listed as "Priceless". **Thank you for bidding!**

How to Bid

Each guest has a bidder number on the back of their name tag. Each Bid Sheet has an opening bid and increments already listed. Place your Bidder Number on line 1 (Starting Bid) to begin the auction for that item.

If you are out-bid by another guest, return to the bid sheet to bid again.

Buy It Now!

To guarantee that you are the prize winner, a "Buy It Now" price greater than the Retail Value is provided. Simply write your number by the Buy It Now! Price.

Note: "Priceless" items do not have a Buy It Now! Option. If the bid sheet is filled, a second sheet will be added to continue the bidding.

Bidding ends for all items at 9:15 pm.

High Bidders: Check Out Procedure

Upon auction close at 9:15, Gala Volunteers will confirm the winning bids and the white top sheets will be collected from the table.

Volunteers will tally all bids in the hotel lobby.

When Check Out is announced, Bidders can retrieve the yellow copy of the bid sheet for each item for which they have the highest bid and bring the yellow copies to the check-out table in the lobby where confirmation of total due is marked on the yellow copy.

Payment can be made with cash or credit via Square; or via the online payment form available at <http://weblink.donorperfect.com/Gala2023Auction>

Once payment is complete, and the yellow sheet is marked paid, bidder proceeds to auction table to show volunteer the yellow sheet marked paid to collect their item(s) or gift card/certificate(s).
